

Time Balance Sheet

Challenge	Solution	GO MOM!® Favorite
Shopping with children.	For one item stops, call ahead to store customer service to see if the item can be pulled and waiting for you when you arrive.	For regular grocery purchases, Sam's Club Click n' Pull Service enables you to order online distraction free and simply stop in to complete your transaction, items ready to load and send you home. Time saved = 2 hours or more weekly.
Shopping list with items from various types of retailers.	Be a one-stop shopper and take full advantage of supercenters and warehouse retail options where you can find everything from house wares to produce, pharmacy and more.	Multi-task utilizing pharmacy and automobile services that can be completed while you complete your shopping. Warehouse pricing in these categories offer a significant cost savings which make the time savings all the better. Time saved = 2 hours or more bi-monthly.
Shopping with the masses during peak hours after work or on the weekends.	Supporting retailers that offer early morning or later evening hours to meet your personal needs.	Shopping Sam's Club Early Hours - Warehouse shopping guarantees budget friendly pricing with quantities that keep repeat visits at a minimum. Early Hours benefits help you tackle routine shopping minus the crowds. By visiting during off hours, you'll be less overwhelmed by the size of the warehouse and be more efficient simply because you'll have limited time if you are off to work, stopping by the gym, or dropping your youngest children off for preschool. Plan for perishables by stocking your car with a cooler so you have no worries about returning home right away. Time Saved = 2 hours weekly.
Clipping coupons and researching store sales weekly.	Using an online coupon service that automatically sends you coupons and matches them to stores in your area and weekly sales promotions.	eValues Savings Plan at Sam's Club for Advantage and Business Plus Members. Not only are these coupons available online, they are downloaded directly onto your membership card with the discount taken at the register. Better yet, over time, your coupon offers will be personalized to your buying history, making sure you get the best deals on the items your family needs most, 365 days a year. Time Saved = 2 hours weekly for coupon management, 2 hours weekly for time spent at more than one store.
